Betty Pond

Betty,

It's hard for anyone to express himself when he is faced with the situation of losing the company of a close friend. I don't guess it's necessary for me to wish you and Bob luck, as I know all successful people in this world make their own luck. It's been a genuine pleasure to teach with you — when I became discouraged you had a way of making things much brighter than they really looked at the time. You have been an inspiration to me as well as the youngsters who studied under you.

Mort Caplin

Dear Miss Pond,

I certainly will miss you next year. You have been a wonderful friend as well as a great teacher. I'll never forget the talks we have had. You were a great help. I was very honored to be the president of Fayette this year and all the meetings we had in your apartment. Best Wishes in your married life. I'm sure you will make a wonderful wife. You were a wonderful sponsor. If we had only had more time. a frien

PROPHECY OF 1959 SENIORS

Ten years after graduation the senior class of 1959 was found engaged in the following pursuits:

MARY JANICE EGGEN was Mr. Millard's private secretary.
ROY SANDERS was the first man to reach the moon.
RICHARD BLANKENSHIP had seen the world shovelful by shovelful while in the Marines.
J.C. BROWN was Shop Instructor in Coffeyville High School.
JANICE JO HOLROYD was the owner of the top field trial dog of the United States and was making a million by autographing dog food commercials.
LARRY JOHNSON, with a Masters Degree in writing, was editor of Time.
CARL ANDERSON was owner and operator of a large ranch over in the Osage.
GARY DEXTER was County Agent of Cowley County.
LOUISE BARBER was one of the head cooks in the cafeteria of Tulsa University.
PHIL GROVE was married to a French girl and was a General in the British Army.
VICKI GARRETT was typist for Farm Bureau and could type 100 words per minute.
KAREN WEMMER was growing old gracefully while she talked of getting married when she became eighty years of age.
STEVE TODD was the author of a best-seller, "Own The World--I Did."
BOB HOLROYD was Band director of Independence Junior College.
STEVE SPROAT had retired at age 25 after finding that Chautauqua County sandstones were rich in a new mineral called "Sandonium."
BARBARA MARION had hitched a ride on a moon rocket and just stayed up in the skies where she was made queen of Pluto.
FRED STORER was head man of Radio Frequency Station MATTER which sent messages to all planets.
JOAN PRATHER was Superintendent of Nurses at Mercy Hospital in Independence.
JIM BURDETT was taking the place of Roy Rogers in the rodeo world as Roy had gotten a little too old to ride the young horses named "Trigger."
JIM BURTON had become a millionaire with the help of his blonde wife, a model who did commercials for women's clothing while Jim modelled Men's sportswear.
NEIL MALONE, sadly disappointed in love, was a bachelor living on the river in the Belknap Community where he raised the finest tomatoes in the state.
DARLENE SEARS was a RN in Saint Mary's Hospital at Winfield, Kansas.
CAROLINE McKIBBON SMITH had just received an award as Mother of the Year by having one of the most all-around sons in Sedan Grade School.
JOYCE MILLS was designing costumes for ladies who lived to be 110 years of age, after designing all sorts of styles for the younger sets.
DARLA McDOWELL was quite busy as the private secretary of her banker husband.
LETTY STURGES, contrary to popular belief, had given way to her restless desire for travel and had joined the Foreign Legion where she was advisor to the head of the Intelligence Department.
NADENE CUMMINGS was working as typist in the County Treasurer's office.
PATSY WARREN was file clerk in the "Contour Drive Chevrolet Company" office in Arkansas City.
LORAN McKEE had gotten out of high school; was now football coach there.
SUE McCARTY had won the honor of being the first woman to wear a pair of jet-propelled shoes. It was rumored that she borrowed them from Roy Sanders.
KAY FREEMAN was appearing on Quiz Shows on TV. She had entered a talking marathon with Steve Todd and she had won.
GROVER WALKER was an Atomic Scientist working for the United Nations on a depth rocket designed to penetrate through to China.
DON DILLY was sheriff of Chautauqua County and was really helping the teenage group by organizing Safety Clubs.
BILL ROE was a barber in Coffeyville. His hair styling attracted both men and women and his trade was so heavy that there was talk of adding an assistant.
PHYLLIS DOWNING had just been awarded a one thousand dollar savings bond by American Home Magazine Company for having the most beautifully decorated living room in Kansas.
DELORA AIKEN was the receptionist in the dental office of a popular Sedan dentist.
ELMYRA STEWART was assisting the Kindergarten teacher of Sedan Schools because the group was almost too large for one to manage.
CURTIS KEENY was the up-and-coming dentist in southeast Kansas and was now making a set of teeth for the last of his eight high school teachers.
GARY ELAM was coach of a new Community High School located near the Elk-Chautauqua county line and it was being rumored that only one coach in history had ever rivaled his popularity, that being Knute Rockne.
MARY MARTIN was assistant to the registrar at Emporia State College.
LORENE MYERS was in Dallas, Texas, where she conducted schools for high school cheerleaders during ten months of each year.
ROY SANDERS had just returned from the Olympics where he had won the title, "Pole Vaulting Champion of the World."

PLAYER OF WEEK–

Sedan Back Scores Crucial Touchdowns

CHARLES TERRELL, Sedan High School's all-Blackjack League candidate, is The Journal's "Player of the Week" for the second time this season.

The 142-pound scatback helped Coach Rex McConnell's Blue Devils defeat Cedar Vale 12-7 last week and throw the Blackjack League into a final three-way tie.

Figured to cause more trouble for Sedan opponents, since he's only a junior, Terrell closed the campaign with a pair of crucial touchdowns.

* * *

TERRELL tallied Sedan's initial touchdown on the third play of the game, streaking 64 yards through the middle of the line. His tally enabled the Blue Devils to trail by only a single point, 6-7, at halftime.

Then, with less than three minutes left in the game, Terrell plunged over from the one with the winning touchdown.

Terrell, who stands only 5-4, was Sedan's top ground-gainer throughout the season, sparking the Blue Devils to a 4-1 finish in the conference.

Sedan had 12 first-in-tens to three for Moline; 259 yards rushing compared to 51 for Moline. Sedan had trouble getting started but managed to score one TD when Ronnie Webb intercepted a pass on the Moline 35 yard line and two plays later Charles Terrell went over right tackle 5 yards for the TD. Blue Devils Beat Fredonia

On Tuesday, Dec. 9 the Fredonia Yellow Jackets did not quite have the manpower and late quarter surges to defeat a strong and reliable Sedan team in the late stages of the game. Fredonia fell to a weakened Sedan (George Root being hospitalized) 56-55 in an overtime.

Sedan Bombs Devils 60-36

SEDAN (JNS)—Sedan's Blue Devils wasted little time in evening the score with Elk City Friday. The Blue Devils avenged their only Blackjack League loss by walloping Elk City, 60-36, to boost their conference mark to six wins in seven games. The easy verdict also kept Rex McConnell's [illegible] place deadlock with Cedar Vale.
